

Comforting Words Of Faith

From: Billy Graham

Billy Graham often spoke about his hope of going to Heaven and being reunited with loved ones there. He believed that death was the beginning of eternal life with God.

What he said about Heaven

- "I look forward to Heaven. I look forward to the reunion with friends and loved ones who have gone on before".
- "I look forward to Heaven's freedom from sorrow and pain".
- "I look forward to serving God in ways we can't begin to imagine".
- "I will be more alive than I am now. I will just have changed my address. I will have gone into the presence of God".
- "I'm convinced that heaven is far more glorious than anything we can possibly imagine right now".

What he believed about salvation

Graham believed that people could receive forgiveness of sins by putting their faith in Jesus Christ.

He said that people could receive Jesus as Lord and Savior by:

1. Admitting their need
2. Repenting of their sins
3. Asking for God's forgiveness
4. Believing that Jesus died for them and rose from the grave
5. Inviting Jesus to come into their lives through prayer
